

National Center for Research

Federation of Arab Scientific
Research Councils
“Biotechnology Association”

The Fifth International Workshop:

**Biotechnology & its Role in Economic
Development of the Arab World**

Under the auspices of

**Dr. Eisa Bishri
Minister of Science &
Communications
(Sudan)**

Khartoum, 21-22 March, 2014

Registration Form

(registration free)

Name of Participant

.....

Gender.....

Current Position

.....

Work Address

.....

.....

Nationality:

Email.....

Passport number.....

Arrival Date.....

Departure Date.....

Specialization.....

Title of research paper

.....

.....

Title of Poster

.....

.....

Participating without paper or poster:.....

(6)

Abstract (one page in Arabic or English
& Arabic), along with the registration
form, should be sent to:

Sudan representative of the Biotechnology
Association:

Dr. Nada Babiker Hamza

Director/Commission for Biotechnology &
Genetic Engineering

Email: nada.hamza@gmail.com

Additionally, send a copy to:

Prof. Dr. Mahmoud Sakr

Secretary General: Biotechnology Association

Email: Sakrasrt@gmail.com

Sakrmahmoud@yahoo.com

Conditions for submitting research papers:

Use Simplified Arabic, font size (14), with
single spacing, pages not exceeding 15, or
4000 words.

**Deadline for Submission of
Abstracts: 1st January, 2014**

(5)

Registration

No registration fees required from participants from both member countries of the Federation of Arab Scientific Research Council, and non-member countries. Transport, meals (lunch, dinner), coffee/tea breaks, abstract books, attendance certificate will be availed for free. Accepted papers will be published in the Biotechnology Journal of the Federation.

Program

The workshop will be held for two days. Opening lectures and research papers presentations will be in the first day. Second day, will be visits to research centers and companies working in Biotechnology including entertainment program.

(4)

Workshop Participants

Academician from universities, research centers, industry members, and all those related to biotechnology field.

Certificates, Grants, and Prizes

1. All participants will receive certificates from CBGE and Biotechnology Association of The Federation of Arab Scientific Research Council.
2. Prize and appreciation certificate for best research presentation and poster.
3. Accommodation and hospitality (3 nights) will be covered for participants from other countries with accepted papers. Participants are responsible from their travel tickets and visas.
4. Accepted papers will be published free of charge in the Biotechnology Journal of the Federation of Arab Scientific Research Council.

(3)

Workshop themes

1. Exchange of scientific findings in biotechnology and its industrial applications, health, medicine, agriculture, food, energy, environment, water treatment and Biosafety.
2. Link and encourage scientific research with development, and find out obstacles that constrains.
3. Specify research priorities needed for enhancing the development in the Arab world.
4. Define joint research projects among member countries.
5. Discuss current status, policies, and strategies for biotechnology at both local and international levels.

Organisers

The Commission for Biotechnology & Genetic Engineering organises the workshop with the Biotechnology Association of The Federation of Arab Scientific Research Council
