The Demographic Center in Cairo (CDC), as one of the scientific centers of the Institute of National Planning, cordially invites agencies, organizations, and experts concerned with Population and Development issues in the Arab, African, Asian, and East European countries to participate in the activities of its 43rd **Annual Conference on Population and Development : Reality and Future Challenges of the post - 2015**. that will be held on 17- 18 December, 2014.

❖ Conference Themes :

- ◆ Population Issues from the Perspective of Social justice.
- ◆ Human Capital.
- ◆ The Dynamics of Population and Economic Implications of Population Growth and Social Development.
- ◆ The Geographic Distribution of the Population, Migration and Urbanization.
- ◆ Millennium Development Goals and Challenges of the post - 2015.
- ◆ Population and Sustainable Development.
- ◆ Reproductive Health and Family Planning.
- ◆ Human Capital Gender Issues.
- ◆ Youth Issues and Demographic Gift.

❖ **Conference Participation:**

Participation in the Conference can be through:

- 1- Submitting a Research. 2- Attending Sessions.**

Those who are interested in participating in the activities of the Conference, whether by submitting papers or attending specific sessions, are kindly requested to notify the conference organizing committee. Those who are submitting papers are requested to send three typed copies of their research papers in English with an abstract in both Arabic and English, or three typed copies in Arabic with an abstract in both English and Arabic loaded on a CD not later than the 30th of November 2014.

❖ **Specifications of Submitted Papers**

- ◆ The paper should not exceed 20 pages (size A4).
- ◆ The paper should not have been published before.
- ◆ The typing font must be:
 - Titles: Times New Roman 14.
 - Subtitles and Text: Times New Roman 12.
 - Margins (Top- Bottom- Left – Right) 3.5 cm.
 - Space: one space between the lines.
 - Diagrams, tables and figures should be included in the research paper, and should be done using Microsoft Word.
 - The scientific rules should be considered in writing the resources and references, inside the paper or in the footnotes. The references should be written in the end of the research paper.
- ◆ please be advised that any research paper that does not conform the above specifications or not accompanied by a CD will not be accepted in the conference..

❖ **Evaluating Research papers :**

- ◆ The submitted research papers will be evaluated by professors and experts specialized in the same subject.
- ◆ The accepted research papers will be disseminated after the evaluation in the Demographic Center annual Monograph.

Best Regards,,,

**Conference President
Prof. Abdel-Hamed El-Kassas**

The research papers should be send to the Conference's E-mail
cdc.confer.egypt@gmail.com
